POSTLUDE

What is "grace"? Around here we use the term "grace" often; what does it mean? Grace does not mean ignoring sin or rewarding poor behavior; neither of those actions would be loving or just. The essence of biblical grace is God providing for people what they could not provide for themselves. God's grace bestows on those who entrust themselves to Jesus Christ forgiveness for attitudes and actions that separate us from God (sin) as well as the empowerment of the Holy Spirit to live God-honoring lives. This grace is available to all people and, when engaged with properly, motivates one to love God and others like Jesus did.
