POSTLUDE

Why all the standing and sitting? Scripture, especially in the Psalms, highlights various postures of worship--physical positions of the body that are both symbols of our heart's inner disposition and aids in helping us focus amidst distractions. Standing is a posture of honor, fitting for things like singing hymns and hearing the Bible read. Sitting is one way to express reverence and submission, just as we would bow our heads or our whole bodies, and it is a fitting posture for things like confession and listening to teaching from the Bible.
