POSTLUDE

Why prayer? J.I. Packer, in his renowned book "Knowing God" writes: "Knowing God is more than knowing about him; it is a matter of dealing with him as he opens up to you, and being dealt with by him...We must not lose sight of the fact that knowing God is an emotional relationship, as well as an intellectual and volitional one, and could not indeed be a deep relationship between persons if it were not so." Just as conversation with people individually and in group settings is how we develop human friendships, so conversing is how we develop divine friendship with God. Because our friendship with God is both individual and corporate, we pray to him both individually and corporately.
