POSTLUDE

**Why come to church when I can listen to great sermons and music online?** It's true; there are some great preachers and amazing musicians out there. However Scripture teaches us that it is as a community we are to hear God's Word preached week in and week out, for it is together that God is at work in and through us (2 Timothy 3 & 4). Likewise as a community we are to keep watch over each other, to restore one another, and to bear each other's burdens and sorrows (Galatians 6). For these reasons and more, God the Father calls his children to come to a family reunion once a week in order to receive his gracious provision for us together. Streaming in is good if there is no other choice, but it's not the same rubbing elbows together.
