

Lent 2020 Sermon Series

Our sermon series during Lent is entitled “My Lord and My God”. Those are the words the disciple Thomas said after he saw Jesus post-resurrection. For the first time, Thomas saw that Jesus was who he said he was after all. As a faith family, we want to be captivated by Jesus just like Thomas. Together we are looking at the seven “I Am” statements of Jesus recorded in the book of John in order to know the Jesus who is both our Lord and our God.

Shaped By the Spirit

In Acts 2:42-47, we read about a community of people whose lives had been radically altered by their life with Jesus. They were reshaped by their experience with Jesus and it showed. Over the next two months, we will let this passage be our guide as we explore the way the Spirit puts us together not just as a collection of people who go to church in the same building but as Jesus people for the world
